**Subject:** Motcombe Neighbourhood Plan - Highways England response

Dear Planning Policy team

Thank you for providing Highways England with the opportunity to comment on the submission version of the Motcombe Neighbourhood Plan. Highways England is responsible for operating, maintaining and improving the strategic road network (SRN) which in this instance comprises the A303 which runs some distance to the north of the plan area.

Having reviewed the plan's proposed policies, we are satisfied that they are unlikely to result in development which would adversely affect the SRN and we therefore have no specific comments to make. However, this does not prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policy at the time.

Regards  
Gaynor
