Dear Philip

Neighbourhood Plan for Motcombe – Neighbourhood Planning (General) 2012

Thank you for consulting the AONB on the Motcombe Neighbourhood Plan.

The Neighbourhood Plan Team has engaged with this AONB and the AONB is broadly **content** with this straightforward and readable Neighbourhood Plan.

I would, however, **observe** that the numbering of the policies seems a little inconsistent. On page 15 there are policies MOT 7a and MOT 7b. On page 19 there is then policy MOT 7. It seems that the latter policy should, perhaps, be renumbered 8 and then all subsequent policies renumbered. That would mean, of course, that all subsequent policies would need to be checked to make sure that they cross reference correctly.

I would also **observe** that on page 38 not all the evidence based links work.

Yours sincerely
