4. Please give your reasons in the box below.

A lot of time and money has been spent producing this plan. When I read under 14.4 'No single organisation is responsible for taking forward this N.P.' and 'it will be a joint effort'. If the council is serious about this a small committee must be formed who's only responsibility will be 'to take forward the plan'. Otherwise little will be done. May I strongly urge you to do this.

5. Please give details of any suggested modifications in the box below.

To move the rubbish waste disposal from Shaftesbury with its excellent access, to Gillingham where they are hopeless especially in New Road access, is senseless.

Shaftesbury is growing as quickly as Gillingham and to transfer that traffic to Gillingham especially at school opening and closing time is dangerous and stupid.

Continue overleaf if necessary
