### Comments

If you have any comments about the Issues and Options Document or the Sustainability Appraisal please set them out in the box below. If your comments are in relation to a specific question or chapter of the Issues and Options Document then please state which question or chapter your comments relate to.

I live on Peacemast. Far too much large traffic travelling through, going to New Rd on on to Shaftesbury - we need Highway England to build a new route from M4, to Poole to get lorries off our existing inadequate roads. Pressure by the Councils to M.Ps and Government please. Gillingham, East Stour, Shaftesbury, Melbury Abbas among others suffering from too much through traffic.

To enable more houses to be built quickly, self build and prefabricated housing should be considered. Too many on social housing lists, if more affordable housing was built the number could be reduced.

Transport i.e bus service needs improvement for those without cars for not able to park their cars in the towns and at stations.

more employment sites so people don't need to commute out of the area.

Replacement local hospital for N-Dorset parts of Wiltshire and Somerset - where? Gillingham.

Continue on a separate sheet if necessary
