<input type="checkbox"/>	Make an observation

4. Please use the box below to give reasons for your support/objection or make your observation.

1. This is the wrong place A350 bad now - even worse on this part with an extra 40-60 vehicles added.

2. Thousands of pounds just spent on this road - to build the access roundabout will cost even more money.

3. This site is in a conservation area and next to a AONB. To build here makes a mockery of both.

4. Has a wildlife survey been carried out? Plover on Red List use this field

5. The School and Medical Services are seriously stretched and bus service poor.

6. If it were built it would be an un-integrated carbonacle on edge of village with yards of wild life unfriendly wooden fencing and lighting.

7. Mr Gove said he would protect Green field Sites.

8. Where are all the people coming from, who appear to need to live in Fontmell - without the infrastructure ~~team~~ scope.

9. This plan seems to have been "wished" onto Fontwell Magna by the DC who get paid a subsidy for each house built. This is a very shortsighted policy - the money will quickly be gone and the land lost to agriculture for ever.
10. The Plan seems to consider Fontwell Magna only - what about other locals and regular road users who have seen the situation grow steadily worse.

Continue overleaf if necessary
