Dear Mr Hogger

NORTH DORSET LOCAL PLAN PUBLIC EXAMINATION - MODIFICATIONS

North Dorset District Council invite you to consider making recommendations for modifications where you consider that by doing so this would permit you to find that the submitted Local Plan can be made sound and legally compliant.

This request is pursuant to Section 20 (7C) of the Planning and Compulsory Purchase Act 2004 as amended by the Localism Act 2011 Section 112.

The Meeting of the Council on the 19th February 2015 received and approved recommendations relating to procedural arrangements for the Public Examination including to authorise this request for consideration of modifications by you.

Reference has already been made, I understand, to the "Modifications" procedures in the Council Statements at the Opening/Closing of your Hearing Sessions in March. However a question has now been raised which provides this opportunity to articulate the request.

So that this is a matter of public record and to obviate any possible doubt a copy of this letter is to be uploaded onto the Examination Website as an Inquiry document submitted by the Council.

Yours sincerely,

Philip James
Interim Planning Policy Manager
