

Consultee response for application **WP/20/00692/DCC** from **Highways Liaison**
02/03/2022

Hi Adrian

WP/20/00692/DCC (Portland Port, Castletown, Portland)

Further to your recent consultation on the additional documentation submitted on 31/01/22, required to complete the Environmental Statement, I can confirm that as none of this appears to relate to the highway consideration of the proposal I have nothing further to add to the recommendation of conditional approval that you have previously been provided with.

If you do need anything else, please let me know.

All the best

Steve
