Subject: Christchurch and East Dorset Councils Community Infrastructure Levy - Statement of Further Modifications

Dear Sir/Madam

Christchurch and East Dorset Councils Community Infrastructure Levy Statement of Further Modifications to the submitted Draft Charging Schedules

Prepared in accordance with the Planning Act and Regulations 11 and 19 of the Community Infrastructure Levy Regulations 2010 (as amended by the Community Infrastructure Levy (Amendment) Regulations 2011, 2012, 2013 and 2014)

You have received this email as you have responded to a previous round of consultation or have asked to be kept up to date on the progress of the Community Infrastructure Levy for the area.

We are writing to advise you that a Statement of Further Modifications has been prepared. This is in response to comments received on the Statement of Modifications (December 2014) that formed part of the submission of the Draft Charging Schedules for Examination sent to the Secretary of State for Communities and Local Government on the 5th December 2014.

In accordance with Regulations 11 and 19 of the Community Infrastructure Levy Regulations (as amended), Christchurch Borough Council and East Dorset District Council are publishing a Statement of Further Modifications. Together with the Statement of Modifications, they set out proposed changes to the Draft Charging Schedules since they were published for consultation on the 7th May 2014. This Statement of Further Modifications relates to additional viability work undertaken in respect of the impact of the Government's recent requirements that affordable housing contributions should not be sought for sites of 10 units or less.

To avoid confusion, the Statement shows the Further Modifications together with the Modifications made previously, but using different reference numbers to differentiate them.

The Statement of Further Modifications together with the CIL Draft Charging Schedule, previous Statement of Modifications, associated evidence and further information regarding the Examination are available on the Councils' website www.dorsetforyou.com/407160
