The plan submitted reflects a realistic and balanced approach to housing development in Milton Abbas. It also very clearly reflects the consensus views from the various stages of consultation.

It is eminently sensible that the bulk of new housing development should be on the land owned by the Parish Council that sits between Damer Close and the GP surgery. This land has no current use and is in danger of simply degenerating into scrubland and a sympathetic housing development would be much better use for it and was provided for when Damer Close was constructed.

There are significant disadvantages to all of the other larger sites put forward with the vast majority having a detrimental visual impact and / or contributing to village 'sprawl'.
