KEY

Site boundary

Public and private visual receptors likely to have some views of the development, partially screened by existing vegetation on the site.

Public and private visual receptors that may have some distant, glimpsed or partially screened views of the development. Visual screening would be provided by development on the site itself, and in the surrounding landscapes.

Copyright Savills (L&P) Ltd. No dimensions are to be scaled from this drawing. All dimensions to be checked on site. Area measurements for indicative purposes only.
