Having read through the Neighbourhood plan I can find no reference for more land put aside for allotments. As Chickerell will be expanding its population and more than likely the gardens to the new build houses will be small, I feel that there will be a need for allotments. Many of the houses within Chickerell (especially the new builds) have gardens that are too small to cultivate and provide leisure space for children and adults all at the same time. Due to Covid 19 it has become apparent that people need outside space with their homes more than ever.

Continue on a separate sheet if necessary

5. Please give details of any suggested modifications in the box below.

More allotments should be added to the plan due to today's circumstances eg Covid 19.

Continue on a separate sheet if necessary

6. Do you wish to be notified of Dorset Council's decision to make or refuse to make the neighbourhood plan? Please tick one box only.
