### Introduction

This document provides an update to the Statement of Community Involvement adopted in 2006. The Statement of Community Involvement outlined how both East Dorset and Christchurch Councils intend to involve the community and stakeholders in consultations relating to the Local Development Framework

This updated document has been prepared to provide:

- current details of Focus Groups and Key Stakeholders and details of meetings scheduled during the consultation period;
- an update for protocol in dealing with public responses;
- to introduce the use of Limehouse Software for making responses.

**The Options for Consideration Consultation will run for 12 weeks from**

**Monday 4<sup>th</sup> October until 12 noon Friday 24<sup>th</sup> December 2010**

**Copies of this document are available on request in alternative formats including Braille, the spoken word, large print and translated texts.**

The aim of this document is to ensure that all sections of the community have an opportunity to be involved throughout the process of preparing planning policy documents and to explain how their comments will be recorded and published.

During the consultation period there will be free public leaflets available, free East Dorset News and Christchurch Courier newspapers, displays in libraries and the Council offices, and a number of themed Focus Groups, Business Breakfast meetings, local school liaison and the opportunity for the public to attend exhibitions to consider the future planning of East Dorset and Christchurch. The events and details are contained within this document

A series of Focus Groups will meet during the Consultation period consisting of small groups of local people invited to attend informal discussion sessions on a particular topic to obtain qualitative views. The Focus Groups were first drawn together in 2008 for the Issues and Options Consultation and the groups will consider broadly similar themes as before. However, there will be new Focus Groups which will consider each of the town centres and the Options for new neighbourhoods.

Attendance at the Focus Groups will be by invitation only and for one individual from an organisation. To avoid embarrassment, please do not turn up unless invited, as there will not be sufficient room for all. If you would like to be considered to attend a Focus Group please contact [policy.planning@eastdorset.gov.uk](mailto:policy.planning@eastdorset.gov.uk), giving at least 2 weeks notice prior to the event. The Focus Groups are listed in the table below (Dates will be inserted as venues are confirmed):

Notes and minutes will be taken at the Focus Group discussions, and the meetings will be recorded in the Core Strategy Diary. The minutes taken will be used to inform the Core Strategy and will be publicly available.

## **Making comments and representations**

### **(i) Responding On-line using Limehouse Software**

The Councils' will use Limehouse - an online software package for public responses. This is our preferred method for comments to be made on the documents.

Using Limehouse allows comments to be made on the text by simply clicking directly on the words or phrase. You then type in your comments in relation to that section.

This will enable you to make as many comments as you would like on any section of the document, without submitting additional written representations.

In order to make representations, it is necessary for you to have a Limehouse account. If you have already registered with us on the Core Strategy database, you will receive a registration letter and password automatically. Please follow the login procedure given in the letter.

If you have not registered, please go to

[www.dorsetforyou.com/348323](http://www.dorsetforyou.com/348323) and follow the links to Limehouse registration.

**Please note all comments submitted will be made public.**

### **(ii) Other ways to make comments**

There are other ways you can make comments to the consultation document if you do not have internet access.

- Complete a Response Form – a paper form can be completed and submitted to the Council.
- A separate Response Form will need to be provided for each separate comment made. We can supply you with a blank form, but additional copies will need to be photocopied. Please request a form by telephoning 01202 886201 ext. 2422, or call in to the libraries, the Town or main Council offices to collect one. Please send your completed form(s) to:

## **What happens to my comments? When will they appear on the website?**

All comments received will be moderated and published on the Councils' website. It is our intention to publish comments as soon as practicable during the course of the consultation, depending on the volume of responses made.

Comments and leaflets which are received by post will also be published during the consultation. It may be necessary to abbreviate lengthy comments, but the full transcript will be scanned and published. Signatures will not be shown.

**Please note your name and post town will be published alongside any comments made.**

## **Verbal comments**

All comments will be recorded and attributed. We would prefer those making verbal contributions to complete a Response Form or submit the comments online.

## **Can I come and talk to someone?**

The Consultation Period will be a very busy time. We urge you to attend one of the public exhibitions taking place across East Dorset and Christchurch (listed above) to view plans and discuss any thoughts or concerns you may have.

However, if you would like to meet a Policy Planning Officer, we will try hard to accommodate you. Any such meeting will have to be pre-booked and properly minuted. A time limit of 30 minutes will be assigned to the meeting. A record of the meeting will be made in the Core Strategy Diary and the minutes may be published concerning the discussion which takes place.

**Christchurch – 01202 495000**

## **What happens next?**

Once this consultation has ended, the responses will be considered. The Core Strategy will be revised and another consultation will take place, likely to be in the autumn of 2011, prior to its submission to the Secretary of State for approval.

Following this, a Public Examination will be held into the document. The date for this is not yet known.

Following the Inspector's Report, the Core Strategy will then be considered by the Councils and hopefully adopted.
