Been twice and booked again, looking forward to september.

"Been here twice before and enjoyed both occasions. Food great, facilities superb and hosts great. All the previous comments are spot on. Weve booked again for september and really looking forward to it."

Looking forward to returning VERY soon!

"Very relaxing holiday break, in a country location, Excellent facilities including two hot tubs, swimming pool, steam room and sauna. Room are very clean and comfortable. The kitchen area has tea and coffe making facilities for during the day. The food is fabulous. If you stayed for more than a weekend, I believe you would struggle to get your clothes back on!!!! Very friendly owners, and enjoyed the company of other residents. Plenty of outdoor lounging areas, and indoor too. Well worth a visit, but you have to book well in advance! Everyone seems to come back....."

Relaxing au nature! (we loved it so much we went twice! .. and will go again and again and again....)

"Wonderful holiday for young and old - naturists! - no children, just peace and relaxation with the odd snoozing cat thrown in. This is our second trip there - each time we've found fellow residents & owners to be friendly and a really good atmosphere all round! Party night on Friday night consists of evening meal in the barn (which does get rather warm despite the lack of clothes! - to be honest it's too hot for me - especially after a belly full of food and half a bottle of wine!). Dress up in the available fancy dress (grass skirts, flower garlands and hats!). Half board basis - breakfast and evening meal - both meals are excellent! - some of the best 'b&b' style food I've ever had! - the only trouble is there is no waistband to remind you that you are eating a little too..."

Can't wait to go back..... :)

"We arrived on a very cold November day with snow on the journey down and were the first couple to arrive. After we were shown to our cabin,off came the clothes and into the sauna to warm up. Within the next few hours the remainder of the guests arrived,as this was a tinsel and turkey weekend,mulled wine and mince pies were served by Chris and dave in the house. This is quiet secluded and a very relaxing place to go.It's a couples only adventure... For your stay you need to bring toileteries,slippers, dressing gown and maybe some flip flops. facilities include a sauna,swimming pool (summer use only),and two jacuzzi's."
