**Amazing weekend!!**

"As first time naturists we certainly fell lucky finding this little treasure. The owners were lovely. The facilities, fantastic. The food, gorgeous. We met a group of wonderful people who helped to make us feel welcome & relaxed in our surroundings. It was a perfect weekend. We booked before we even left we loved it that much and are now counting down the days. Tip- don't forget sun cream & flip flops :)"

**Friendlies Accommodatio**

"My wife and I recently visited Dilly Dally's for the first time and it will certainly not be the last. From the minute we arrived we were made welcome by our hosts. Staying there at the same time were a group for a well known Sun Club. On joining them in the hot tub we were immediately included in their evenings entertainment. Everything about the place is good especially the food. You will not go hungry."

**peaceful but with good company and food**

"Relaxing, peaceful and very welcoming. Meal are excellent, tasty and plentiful. The large hot tub is brilliant and Spanish evening was wonderful - drinking sparkling wine in the hot tub at 11 pm was the icing on the cake"

**Fantastic!**

"What a wonderful, relaxed naturist venue Dilly Dally's is. Chris, Dave and family extend such a warm welcome to their guests, it takes no time at all to divest yourself of day-to-day worries and just relax. Fellow guests were great company too. Great amenities with a real European feel to the place. The food is generous and top notch and it's ideally sited as a base for a wide range of coastal walks/locations, with Studland beach not too far away. I'll definitely be back. One couple I spoke were on their 65th visit! That says it all."

**Relaxed!**

"We booked this venue as a last minute after an other fell through. It was a good decision. We had all kinds of activities in mind for our visit to the area but we ended up doing virtually nothing. Just relaxed here, swam a little, bubbled a little, did a lot of nothing and recharged the batteries! We thought it to be very good value for money. We had breakfast and dinner included and for that price you can't go wrong. The whole venue is a very sociable, the breakfasts and dinners are in the shared area (there are actually two) and there is always a lot of talk going on. You don't need to, but you will join in as it's all so relaxed. It's very sheltered so wind has a more limited influence which is important now the season is at an end. As a naturist venue it's very valuable and..."
